

Getting Started with the Versah® Guided Surgery System

Versah® Certified Labs

A full list of certified labs available at versah.com/guided-surgery-system/

Determine the Following:

- Tooth #
- Implant Diameter

Plan the Case:

- Take a CBCT Scan, Dicom File, and impressions of the site and the opposing jaw.
- Contact a Versah® Certified Lab to begin the process of printing a custom C-Guide® Sleeve.

I Use CEREC

- Set up your software to produce the guide with a hole that matches the Versah® C-Guide® Sleeve outer-diameter.
- Create buccal window to match the Versah® C-Guide® Sleeve opening.
- Order the C-Guide® Sleeve and the compatible G-Stop® from Versah®.

I Print My Own Guide

- Set up your software to produce the guide with a hole that matches the Versah® C-Guide® Sleeve outer-diameter.
- Create buccal window to match the Versah® C-Guide® Sleeve opening.
- Order the C-Guide® Sleeve and the compatible G-Stop® from Versah®.

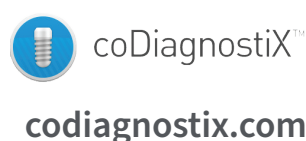

I'd Like to Use My Lab

- Versah® is committed to certify your dental lab to produce the Universal C-Guide® Surgical Guide.
